## ARTISTS

„Greetings, my artist name is DJ Rasfimillia based in Vienna, Austria. I started juggling in February 2011 and I'm following this passion up to these days to bring Reggae, Dub and Hip-Hop music around the people! Selecting this kind of music plays a big part in my lifestyle. Since 2014 I am working as an audio engineer and started to do my own productions of Riddims. I have collaborated worldwide with Soundsystems & Artists for my charity initiative in Ethiopia, which outcome were two Mixtape CD's for this social aspect. In a frequent productivity of releasing Mixtapes & Riddims and a big motivation, I have released more than 200 Mixtapes up to now! This year, 2021, im celebrating my 10 year anniversary with the release of „Paradise Island“, a collaboration with the legendary, Lee Scratch Perry!“
